Subject: Data Evaluation Report #5

2011-08-31 Data Evaluation Report No 5 Contaminant History.pdf

Attached is Data Evaluation Report #5 (Contaminant History in Sediments). Please send me your comments on this report by COB October 6.

I would like to schedule a conference call on Sept 27 or 28 to answer any questions or discuss your comments before you finalize them. Please let me know if you have any preference for the exact date/time for the call.

Note that I have re-numbered my summary (from 7/21 e-mail) of the Data Evaluation Reports to better reflect what Louis Berger has on their list. If the place holder papers don't materialize, then all of these will have to be renumbered at the end.
